HOW TO ORDER

TERMS—Cash in full before order is to be shipped, or if C O.D. send one-fourth of the amount with order. Remit by Money Order, Cash or Check.

GUARANTY—We use the greatest care possible to have our stock true to-name, and should any prove not true, we will replace it free of charge or will refund the purchase price, but it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for any sum greater the amount originally paid for said stock

All shipments are accompanied by a Certificate of Inspection.

LOCATION—New Haven is on the south bank of the Missouri River about sixty-seven miles west of St. Louis by rail. We are on the main line of the Missouri-Pacific R.R. We have a very good system of roads as the new Mo. 100 has just been completed. In driving from the East or Southeast take U.S. 50 or U.S. 66 to Mo. 47. By continuing straight on No 47 you automatically enter No 100. From the South we are served by two farm to market roads E and C, both running from U.S. 50 to New Haven. In coming from the North or Northwest, use the free bridge at Hermann, Mo., or the New Haven ferry. During the shipping season we are open on Sunday.

PRICES—We have made our prices the same on all of our Fruit Trees as we believe that this will make it easier for you to make out your order. All other prices have also been simplified.

All of our prices have been made as low as possible but as the supply of Fruit Trees seems to be very short everywhere we advise you to order this fall. All of our prices are subject to change without notice, but if it is necessary to increase our prices the orders on hand or in the mails will be filled. All prices are F.O.B. New Haven, Mo.
